

Mathematics Faculty Announcement

The Fort Berthold Community College (FBCC) in New Town, ND is searching for a mathematics faculty member to join our team of dedicated faculty. We are a two- and four- year associate/baccalaureate degree granting Tribal College, chartered by the Mandan, Hidatsa, and Arikara (MHA) Nation of North Dakota, accredited by The Higher Learning Association, a Commission of the North Central Association of Colleges and Schools. This position requires instruction of both lower and higher level mathematic curriculum including, but not limited to: developmental mathematical series, Calculus I, II, and III, Differential Equations, Linear Algebra, University Physics, and pre-Engineering courses. Catalog Course Descriptions are located at our website: fortbertholdcc.edu.

Additionally, the positions requires that appropriate academic standards are adhered to, knowledge of assessment, a classroom environment conducive to learning, participation in faculty and institutional meetings, committee assignment(s), and other relevant responsibilities related to this position as assigned.

MINIMUM QUALIFICATIONS: Master's degree in Mathematics required; prefer a minimum of three years teaching experience at the postsecondary level.

Salary: negotiable depending on applicant qualifications

Applicants are requested to submit: a letter of interest; a resume/vita (three page limit), an unofficial transcript, three academic references and a completed FBCC Application Packet (available at <http://www.fbcc.bia.edu/employment/employment.htm>) to:
